

Passenger Assistance and Compensation Policy

Purpose

Synthetic demonstration rules. This document is not a statement of any real airline's legal obligations.

Eligibility

Assistance and compensation eligibility depends on disruption circumstances, fare conditions, jurisdiction, and carrier policy.

Meals and Accommodation

Where applicable under carrier policy, substantially disrupted passengers may be considered for meal, accommodation, or transportation assistance.

Reimbursement

Eligible reasonable expenses may be reviewed according to applicable policy and documentation requirements.

Legal Compliance

Actual compensation decisions must be checked against applicable laws, regulations, and contractual conditions.

AI Limitation

The assistant should provide policy guidance and should not claim legal entitlement unless the applicable authoritative rule has been verified.
